One

Author's Notes:
Bruce started the final leg of the Somewhere Back In Time tour with a black eye. He has his version of events, I have mine.

"Look!"

Snicker.

"This is not going to go away by the time we leave!"

A shrug.

"Have you nothing to say?"

"I told you, it was an accident. I was dreamin' and me elbow..."

"Slipped. Of course it did, right into my eye."

Another snicker.

"How am I going to explain this?"

That irritating smug grin. "Not a bleedin' idea."

"I swear, one of these days I'm going to get completely fed up with your rubbish and it's going to be *my* elbow that slips, Harris!" Scowling, Bruce leaned closer to the mirror.

Maybe he could blame it on fencing.
